

2023 Launch Pad ***Evening Classes for Adults***

Launch Pad classes are for ANY and ALL skill levels seeking a fun, relaxed and creative environment in which to learn something new or work on your own. These classes offer an opportunity to experience different mediums as an introduction, that could provide a gateway to independent making.

All materials are provided.

Class sizes are limited and registration is required.

Mindfulness classes are perfect for clearing your creative roadblocks and finding your artistic voice.

- For Beginners - a great way to test the medium and see what you like.
- For Intermediates - great for constructive critique.
- For Advanced students - work at your own pace.

**Classes are held on the first Tuesday of each month
